### Message of the Principal

With the change in administrative structure, Gurudayal Govt College has been undergoing a radical reform both in academic and administrative sectors since the year 2023. The college authority is working to line up the college with modern concepts of academic management. At the same time, large scale and effective development activity has been initiated to address the academic and administrative needs.

College Education Development Project (CEDP), during its tenure, contributed to the enhancement of facilities and resources to a great extent. Besides, the project brought positive change to the mindset of college academics through in-house trainings and Institutional Self-Assessment Program. Teachers are now more skilled and motivated to meet the demand of upcoming challenges generated by the paradigm shift in education.

Gurudayal Government College is looking forward to creating a niche in the reconstruction process of college education. The teachers and non-academic staff are working as a team in this regard.

## Introduction

### The establishment background of the college

Gurudayal Government College is one of the renowned colleges of the country. This

college has a rich and noteworthy history in terms of academic and extracurricular achievements.

Gurudayal Government College was the first institution for higher education in

then Kishoreganj subdivision. At the inception, it was named Kishoreganj College. Based on the initiative of eminent philanthropist and lawyer Mr Zillur Rahman, Mr Khan Bahadur Abdul Karim, also an influential social and political figure, took the lead to establish a college for spreading education in the region. The first committee constitutes of Mr Sadat Hossain Chowdhury, Sub Divisional Officer as the President and Mr Abdul Wadud Chowdhury and Bipin Roy as Joint Secretary, Mr Shah Abdul Hamid and Dr Prafulla Chandra Bir as Members and some local educational philanthropists.

At the initial stage, for the first two years, the college conducted its academic and administrative activities in a nearby establishment of Jute Research Institute called C & B Bungalow. Then Gurudayal Sarkar, a great soul, though a fisherman by profession came forward with a generous donation of fifty thousand taka to purchase the present land with a view to establishing a permanent campus. The college authority renamed the college after his name in recognition to his great contribution.

Though the college was HSC centered initially soon it introduced BA (Pass) Course under University of Dhaka in 1945. Dr Dhirendra Lal Das, and later an eminent educationist Muhammad Wasimuddin took over the charge of the Principal

respectively and achieved great acclaim for academic success including first position and merit places in BSc (Pass) Examination under University of Dhaka. The college was nationalized on 1 March 1980 as an acknowledgement for its outstanding achievements.

### Mission

The mission is to spread the light of higher education to the poverty-stricken and struggling Haor population.

### Vision

The vision is to ensure quality education and develop the college as a center of excellence for higher education.

### The College At A Glance

#### 2.4: Key achievements and Highlights of the Year of Institutional Development Grants (IDG):

5 OTM packages, W1, G1, G2, G7 and G8 were completed through e-GP system. Package W2 was carried over to FY 2022-23 due to some unavoidable situation.

Package G1 and G2 which included procurement of office equipment like Desktop, Laptop, Printer, Scanner and Photocopier and G 8 included Furniture and Fixtures for classrooms, conference hall, lab and library. Package G7 covered the procurement of AC for smart classroom and labs.

9 classrooms were decorated with newly procured smart desks and chairs, side racks and tables that heightened the classroom environment attracting the students more than ever. Other furniture includes Almirah, Table Swivel Chair and Sofa and those were installed in department offices and college office.

Package W2 included renovation of classrooms, library, offices and conference hall. Package W2 was initiated through e-GP system and was carried out successfully. Still, it faced some issues in bill payment process. As a result, the package was carried over to FY 2021-22. The following Table shows the procurement scenario at a glance:

## Chapter 5: Concluding Remarks

### 5.1: Overall assessment of Performance of the Last Year and Key Targets for the Next Year

The year 2022-23 saw an inspiring uprising in academic enthusiasm in the college. The administration ensured presence in the office as per the Government instruction. At the same time, an adaptive routine was designed including logistic supports to ensure online classes and academic guidance. The college also developed software and arranged an online examination and admission. Strict monitoring in every aspect mentioned was ensured. Extra-curricular activities (Online) and participation in training programs were continued.

In the upcoming days In-house training for teachers has also been planned to rejuvenate and motivate their active participation in all the spheres. With the newly procured internet connectivity in the departments and office the college now equipped to advance further in education and research. Online and offline activity will be given equal importance as far as possible.

### 5.2: Key Challenges and Risks for the College

- Increasing the number of classrooms.
- Combining classroom activities and pressure of hectic examination schedules.
- Motivating teachers and students for academic performance.
- Encouraging peripheral students from Haor and remote areas to be active and regular in classroom.

### 5.3: Recommendations

- Special routine should be planned that accommodates shifting of classes in combination with the exam schedules.
- Teachers and students should be rewarded according to their performance.
- Teachers should be given specific assignments with a view to increasing student performance. Strict monitoring is an important factor in this respect.
- There should be a counselling unit to help students manage difficulties, both academic and non-academic.
- Number of stipends and full free scholarship for poor students should be increased.
- The college should have a transport pool to ease the transportation of peripheral students to the campus.
